

Hello Fundraising Contributor,

We are happy to announce that Zion Lutheran School has joined in partnership with Laura Jo's Cookies For Kids to raise money for the kids and community involved in their school. Laura Jo's Cookies For Kids is a community tool designed to raise money for children's fundraisers. Our concept is simple. We make the best shortbread sugar cookies in the country and we donate half of our sales to kids! What's not to love?

To donate to Zion Lutheran School, our process is easy.

Our process is simple for supporting your fundraiser. Simply logon to our website at www.laurajoscookiesforkids.com and select the "Cookie Store" tab at the top of the page and then select the "Order Cookies" tab. Once you see the drop-down box, you can choose either "Seasonal Cookies", "Custom Cookies", or "Bite-Sized Cookie Bags". Once you are in the ordering process, you will see the list of fundraisers to choose from and after the fundraiser is selected, order the cookies and quantities of your choice. So simple.

We offer either holiday/seasonal cookies at \$26 per dozen, custom cookies at \$30 per dozen and bite-sized cookie bags at \$23.00 for (3) bags of 24 cookies each. Half of the cost of the cookies will be donated to Zion Lutheran School, once you select them as your fundraiser. For example, if you order a dozen holiday/seasonal cookies at \$26, Zion Lutheran School will receive \$13. Since we are an on-line only bakery, there is nothing for you to pick-up, as all cookies are delivered directly to where you want them delivered. It's a win/win for everyone, especially the kids.

Don't forget to check out our website often for exciting new cookie designs, offerings and updates. We are growing fast and want to make sure you don't miss out.

It's as easy as that. Come on board and show your support for Zion Lutheran School by ordering our delicious cookies! They are guaranteed to bring big smiles to children of all ages.

Laura Jo's Cookies For Kids

"We are promoting America's greatest cookie, to support American's greatest resource!"
