Did You Know?

Did you know Zion conducts Fire drills once a month?

Fire Drill Procedure

Fire drills are conducted once a month at Zion School.

We use our Fire Alarm System while conducting these random drills. Ask your children about the LOUD noise the Alarm System makes!

Each room evacuates and has a specific waiting area outside, once the "ALL CLEAR" is given the students are allowed back in the school.

FYI: If a real fire or natural disaster would ever happen, our off-site meeting place for parents to pick up their kids is at the Lutheran Community Home.
