## CONNECTING TO CHRIST

The most important connection in this school year has been our connection to Jesus. He has connected Himself to us in our Baptism. He has strengthened His connection to us through His Word. We have been connected to the life and work of Jesus as we learned again of His suffering, death and resurrection for us.

We have been blessed to share our connection with Jesus through our Chapel, Jesus time and prayer together. How do we stay connected to Him? As His “branches,” we stay connected to Jesus, the Vine. We stay connected as we continue to learn about Him and worship Him.

Connections to Jesus have been important this year. Staying connected to Him is also important this summer. We have the opportunity to stay connected to Him in our church as we worship each week and when we come to Vacation Bible School and other summer activities. We stay connected to Him as a family as we worship together and have family devotions together.

Perhaps we can stay connected to Jesus and our friends as we plan to read the Bible together or pray for one another. After our summer break, we look forward to coming back together after a few months to be reconnected to our friends, teachers, and most importantly, to Jesus.

## Blessings on Your Summer
